Hi Lance,

There is nothing in SEMS for a site in Creek County or Bristow, OK connected with Producers Oil.

There is a site listed in SEMS in Blackwell, Kay County, OK listed under PRODUCERS AND REFINING COMPANY (OK0002056190) that has three documents (SEMS 97222, 97231 and 97234). They discuss an old refinery that was present in the 1920s and 1930s.

Blackwell is northwest of Tulsa near Ponca City, while Bristow is southwest of Tulsa.

Producers Oil Company located in Tulsa, OK at 427 S. Boston Avenue, Suite 711 (918-582-1188), is listed on the internet.

There are several sites listed under Texaco in Oklahoma, but nothing that appears to be related to an old refinery site. I didn't find anything under Texas County.

Please let me know if I can be of any other help.
